About...

The College

Rayat College of Law, established in 2004, is housed in an independent building at the Rayat Group of Institutions Ropar Campus. The College is affiliated to Panjab University, Chandigarh, and the courses are approved by the Bar Council of India. Equipped with infrastructure including Moot Court, state-of-the-art Library and Computer Lab with 24 hours internet facility and a fully functional Wi-Fi Campus, the College provides an excellent environment for learning and holistic development. With an aim to instil an ability in our students to develop core competencies that are essential to embark on the practice of law, we lay emphasis on practical training. Young legal minds at our college are provided with a multitude of opportunities including moot court competitions, client counselling, seminars, court visits, and expert lectures by authorities on Law and social sciences to ensure all-round growth and exposure. Rayat College of Law has already successfully carved a niche for itself in the field of legal education.

The Literary Society

The Literary Society at Rayat College of Law is a new, premier organization that encourages healthy and meaningful discourse by actively engaging in debates and public speaking events. In a world where there is an ever rising need of sharing ideas, opinions and encouraging discussion, actively shaping young minds to be articulate in their thoughts is the need of the hour. We endeavour to mould, promote and produce some of the finest minds across industry, politics, and academia. In the kind of world we live in today, developing speaking skills is of utmost importance. The ability to articulate one's thoughts and ideas goes a very long way in every walk of life. By encouraging young students who will soon step out into the legal arena, we endeavour to instil in them a spirit of fair competition, dignity and integrity. Not only will the young minds of our generation hone an indispensable skill, they will strive to be better, more hardworking individuals in everyday life.

VISION AND MISSION

Vision

- To transform the students in to world class law professionals, scholars and academicians by promoting empowerment through legal education relevant to the need of society.

Mission

- Prepare the students to imbibe the highest principles of professional, ethical and moral responsibility.
- Develop amongst the student's core competencies that are essential to embark on the practice of law. These core competencies particularly include legal analysis i.e. knowledge of law, ability to apply law to varying factual settings and ability to engage in legal argumentation; legal research i.e. ability to conduct independent legal research and problem-solving.
- Imbuing critical thinking and honing communication skill in addition to basic knowledge of law and an understanding of the functioning of the legal system.

From Chairman's Desk

The spoken word has long held transformative power—shaping societies, influencing thought, and catalyzing meaningful change. Debate, as an intellectual pursuit, not only tests knowledge but also exemplifies the importance of logical reasoning, articulate expression, and respectful exchange of divergent viewpoints.

S. Nirmal Singh Rayat
Chairman
Rayat Educational & Research Trust

At Rayat College of Law, we place strong emphasis on platforms that encourage critical inquiry, effective communication, and self-assured expression—skills that are integral to both academic excellence and personal development. It is heartening to witness young minds engage in thoughtful dialogue, challenging established narratives and contributing fresh, well-reasoned perspectives.

I sincerely appreciate the commitment and foresight of the organizing team in curating this event. To all participants, may this experience serve as a catalyst for deeper reflection, informed argumentation, and responsible civic engagement. Let us remember that debate is not merely about asserting one's stance, but about understanding others, fostering dialogue, and growing collectively through the power of ideas.

Wishing each one of you a thought-provoking and rewarding competition.

From Principal's Desk

Debate is more than a contest of opposing viewpoints; it is a vital intellectual exercise that nurtures analytical thinking, effective communication, and the ability to engage in respectful discourse. These are not only essential academic competencies but also indispensable attributes for future leaders, especially in the field of law and public affairs.

Dr. Monika Sharma
Off. Principal

The ability to listen, analyze, articulate, and persuade with reason and logic is a skill that serves individuals well beyond the boundaries of the classroom. In this rapidly evolving world, where informed dialogue and democratic engagement are of paramount importance, platforms such as this become crucial for the holistic development of students.

I am confident that this event will provide a meaningful opportunity for participants to express themselves, engage with diverse perspectives, and refine their argumentative skills. It is heartening to see the enthusiasm and commitment of our students in organizing and participating in such initiatives.

I extend my heartfelt congratulations to the Literary Society for their dedication and meticulous planning. I also express my best wishes to all participants—may this competition enrich your understanding, sharpen your intellect, and inspire you to strive for excellence.

With warm regards and best wishes for the success of the event.

Messages from Coordinators

The Internal Quality Assurance Cell (IQAC) encourages you to actively engage with the Literary Society as part of our commitment to holistic academic development. Your involvement is essential in promoting a culture of creativity and excellence. Let us together uphold these values and enrich our learning environment.

Dr. Akashdeep Singh
IQAC Coordinator

Where words shape worlds and ideas find voice – the Literary Society is your stage to express, explore, and evolve. Join us in celebrating the power of language, where every thought has the potential to inspire.

Ms. Manjeet Kaur
Faculty Coordinator

In the pursuit of intellectual growth, the Literary Society provides a disciplined environment to refine your analytical and writing skills. It is here that ideas are challenged, perspectives broadened, and communication strengthened.
